Hon. Benoit Bouchard, P.C., M.P.
Minister for National Health and Welfare
Room 325 East Block
House of Commons
OTTAWA, Ontario
K1A 0A6

Mr. Minister:

I am writing to you to lend my support to a request by the Allergy and Environmental Health Association regarding psychiatric patients whose problems are related to environmental sensitivities.

Recognizing the work that has already been undertaken by your department in informing the population about the illnesses associated with environmental sensitivities, it is my hope that you will take a leadership role in advancing the progress that has already been made.

Thank you for your consideration of this matter.

Respectfully yours,

cc. Mr. Chris Brown
